Exhibition Dates: June 14 - June 28, 2025  
Exhibition Venue: Neiman Marcus (The Galleria)  
2600 Post Oak Blvd, Houston, TX 77056

### *OVERVIEW:*

The D.R.E.A.M Affect Foundation's mission is raising awareness of the underrepresentation of art students of color in higher learning institutions. We believe that every individual has the right to pursue their passion and creativity, regardless of their background. Our goal is to create a platform for discussion and collaboration among students, educators, and institutions to address the systemic barriers that prevent minority students from accessing opportunities in the arts. We aim to empower and support these students in their pursuit of higher education, and to work towards a diverse and inclusive arts community. We believe that by amplifying the voices of underrepresented art students, we can create meaningful change and promote an equitable society. Keeping in step with our mission, The D.R.E.A.M. Affect Foundation will be donating a portion of all art sales to scholarships for minority art students.

Jubilee: A Celebration of Freedom. The concept of freedom has been a fundamental aspect of human existence since the beginning of time. It is a complex and multifaceted idea that has inspired countless artists throughout history. An art exhibition representing the meaning of freedom is an opportunity to explore the many different ways in which these concepts can be expressed and interpreted.

All submissions should emphasize themes and perspectives related to the theme of Freedom.

### *THEME:*

Jubilee: A Celebration of Freedom will feature a diverse range of works that explore freedom in all of its forms. Submit your work for an art exhibition that celebrates and conveys the many different facets of freedom; from political and social freedom to artistic and creative freedom. The exhibition will feature paintings, drawings, sculptures and mixed media from various artists showcasing their perspectives of how we view freedom.
